## RULES AND REGULATIONS

### PLEASE NOTE: Competitors, Teachers, and Accompanists are reminded that photocopying is illegal.

- 1) Teachers are NOT to photocopy music for their students or their accompanists. Teachers, students and accompanists are expected to have their own original copies of required test pieces. Such copying compromises the ethics of the festival and may lead to fines for the festival, teachers, students and accompanists. Accompanists will be expected to produce original scores upon request at any festival class.
- 2) The Festival acknowledges the ready availability of pre-recorded accompaniments for much of the music that is being performed at the Festival. While the committee acknowledges the usefulness of these recordings for teaching and rehearsal purposes, they **MAY NOT** be used to accompany any performer or group participating in the Festival for a live performance. The Festival supports the integrity of an artistic performance that can only be achieved by the interaction between performers and their accompanists.
- 3) A Choir may enter only one Choral Class at the National Festival level.
- 4) Only CD's and audio DVD's are acceptable formats for the submission of recorded choral entries.

**Failure to comply can result in disqualification.**

- 1.1 For the purpose of this Festival, the General Executive of the Association shall constitute an Administrative Committee hereinafter referred to as the "Committee". The competitions shall be under the working management of the Committee, or of such other Committees to whom authority has been delegated. Any questions not dealt with in the rules shall be referred to the Committee, whose decision on such matters shall be final and binding on all concerned.
- 1.2 A competition, unless otherwise stated, shall be open to amateurs only. Professionals may enter classes marked "Open to Professionals and Amateurs".
- 1.3 For the purpose of the Festival, an amateur is defined as follows: "Any person whose principal means of livelihood is not obtained from the performance of music in the particular category in which he or she is competing, even though from time to time such persons are in receipt of remuneration for musical services rendered, but not on a full time basis".
- 1.4 Competitions, unless otherwise stated, shall be open to any resident of the Atlantic Provinces of Canada.
- 1.5 Competitors in choral societies, choirs, orchestras, or bands, must be bona fide members of their respective organizations at least one month prior to the opening date of the Festival. Conductors may be either amateur or professional. They may conduct any number of organizations in the same class, but may not sing with their choral society, nor perform with their orchestra or band.
- 1.6 **The number of Solo classes that a contestant may enter has been limited to six (6) Solo classes per discipline and ten (10) Solo classes maximum, excluding Sight Reading and Musical Theatre classes. A Solo Concert group counts as one (1) solo class.**
- 1.7 In those sections where classes of various age groups are provided, competitors may enter only one class in the section, e.g. if you enter Piano Sonatina Class for 11 year olds, you are not allowed to enter the Sonatina Class for 12 year olds.
- 1.8 No individual shall be allowed to sing or play the same part in more than one entry in each class. This does not apply to classes provided for Junior and Children's Choirs, or Operatic and Instrumental Ensembles of different combinations.
- 1.9 Substitute performers shall be allowed only in the case of sickness or valid reason, and shall be subject to approval by the Committee.
- 1.10 In classes where an age limit or age range is set, a competitor must be the specified **age on January 1st of the current Festival year.**
- 1.11 Vocal test pieces may be transposed a tone above or below, except for Opera and Sacred Aria.
- 1.12 Where a specified edition of a test piece is indicated in the Syllabus, a copy thereof will be furnished to the adjudicator, and competitors should not use any other edition.
- 1.13 If a wrong piece is played or sung, the competitor will receive adjudication only. Similarly, if a competitor chooses not to perform the test piece, he/she/they will receive adjudication only.
- 1.14 It is permissible for competitors to change the order of performance of test pieces, if they so desire.
- 1.15 Competitors must supply a copy of their "own choice" selection to the adjudicator's secretary prior to the class in which they are performing. This is the competitor's responsibility, and failure to comply by this rule may result in disqualification.

- 1.16 In all Concert groups, or "Own Choice" classes, selections must not have been used by the competitor in recent New Glasgow Music Festivals. Competitors in senior classes may perform selections used in other recent New Glasgow festivals for adjudication only. The competitor must inform the class secretary prior to beginning that their performance is "*for adjudication only*".
- 1.17 It is expected that all Soloists in Competitive Classes perform from memory. Marks may be deducted at the discretion of the adjudicator from any soloist not performing from memory. Memorization is strongly recommended, as contestants must perform from memory at the National level. In any case, memory work may be a deciding factor when performances are otherwise equal. Duets, trios and groups need not perform from memory.
- 1.18 Baroque (18 years and Open), Sonata, and Concerto classes need not be memorized, but it is strongly recommended that performances of all solo test pieces from memory be encouraged.
- 1.19 No repeats allowed unless otherwise stated, but always use "Da Capo" when shown in the music.
- 1.20 Bands, choirs and choruses will be adjudicated according to the Gold/Silver/Bronze designation rather than numerical marks. Approximate numerical equivalents are Gold (89+), Silver (85-88), and Bronze (80-84).
- 1.21 The Canadian Music Publishers Association has advised all music festival organizations to remind competitors that it is illegal to reproduce copyright music by any means. The Canadian Copyright Licensing Agency (CANCOPY) has stated that **festival staff, volunteers or participants** who make photocopies of copyright materials, especially sheet music, must apply for and receive appropriate permission from the publishers. The adjudicator has the right to refuse to adjudicate a competitor who submits a reproduction of any piece of copyright music.
- 1.22 Test pieces for bands, choirs and choruses should have the bars numbered.
- 1.23 Post secondary school students are welcome to enter ONLY Open Classes, Grade 10 minimum.
